- I authorize KS Pool Service to make repairs (up to \$150) at the time of opening**
This is recommended to avoid an additional service call for minor issues that are repairable at the time of the opening
- I would like to receive more information on how I can save money and energy with Pentair Variable Speed Pump.**
- I would like to receive more information on the benefits of Pentair UV Sanitation System.**

Pool Openings

Must have access to your yard/pool, power to the equipment, a working electrical outlet, and water spigot with a garden hose attached that can reach the pool. Please leave your pool equipment such as rails, ladders, fitting, baskets, etc. out by the pool. **Fill your pool** by placing hose under the cover. **Solid Covers: Middle of the tile.**

Mesh covers: Top of the tile. Be sure to remove all standing water and leaves from your cover. Additional charges will be added if you fail to meet these requirements

*Heaters

We will attempt to start up the heater only if the unit is in good condition and installed properly. If it fails to start an additional service call will be required.

KS Pool Service will not be responsible for damaged or displacement of covers, pillows, step wedge, plumbing / equipment, etc. affected by weather conditions including, but not limited to; wind, rain, snow, and/or ice.

Payment requirements

The required deposit is due prior to service. Balances are due as specified. 1.5% interest per month is added to outstanding balances after 30 days.

Your deposit represents your acknowledgement to all the terms and conditions

Signature Pool Care Packages

1. KS Pool Service is under no obligation to continue weekly swimming pool care on accounts which are more than 30 days past due
2. If the client's pool is subject to excess foliage, we trust that the client will empty the skimmer baskets regularly
3. In the event of unforeseen circumstances, such as storms, mud slides, staining, etc., additional charges for chemicals and labor will be added
4. *A value of \$250.00 is included for minor replacement parts and accessories. Any additional parts, accessories, and equipment will be extra at a 10% discount
5. **Service Calls include up to 1/2 Hour per visit. Can be used for repairs, extra cleanings, or maintenance. Plan includes up to 3 if needed
6. Spring Maintenance Checkup Plan includes the additional of spring chemicals and equipment startup for inspection. In some cases we will allow the filter system to run on a low setting. This helps prevent spring time algae issues and pollen buildup
7. Our Commercial Sanitizer Feeder may be used on your pool if needed. This system is the property of KS Pool Service and is offered free of charge on a leased basis
8. KS Pool Service will not be responsible for damage to or displacement of covers, pillows, step wedges, plumbing / equipment, etc. affected by weather conditions including, but not limited to, wind rain, snow and /or ice. **Winter Watch Plan** includes up to 3 visits to adjust pool cover and check and adjust water level is needed.
